"Perfect Day" is a song written by Lou Reed in 1972. It was originally featured on Transformer, Reed's second post-Velvet Underground solo album, and as a double A-side with his major hit, "Walk on the Wild Side". Its fame was given a boost in the 1990s when it was featured in the 1996 film Trainspotting and after a star-studded version was released as a BBC charity single in 1997, reaching ...

The present perfect is a grammatical combination of the present tense and perfect aspect that is used to express a past event that has present consequences. The term is used particularly in the context of English grammar to refer to forms like "I have left".. The forms are present because they use the present tense of the auxiliary verb have, and perfect because they use that auxiliary in ...
