During the early years of the twentieth century, a handwriting instructor named Austin Palmer realized that while the loops and flourishes made Spencerian cursive look nice, it wasn't very practical or efficient for the growing amount of bureaucratic paperwork that faced bookkeepers, accountants, and other businessmen.

How to Improve Penmanship | The Art of Manliness

Penmanship is the technique of writing with the hand using a writing instrument. Today, this is most commonly done with a pen, or pencil, but throughout history has included many different implements. The various generic and formal historical styles of writing are called "hands" while an individual's style of penmanship is referred to as "handwriting"

The television is a killer slaying souls across the face of the earth. America has been tempted and paralyzed with charms and sins. Television is a chief cauldron of temptation putting bad ideas in people's minds. America's willing disobedience and sins have brought her--and her false refuse-to-obey-the-Bible-church--curses without number.
