Slavery was a common practice in ancient Greece, as in other societies of the time. Some Ancient Greek writers (including, most notably, Aristotle) considered slavery natural and even necessary. This paradigm was notably questioned in Socratic dialogues; the Stoics produced the first recorded condemnation of slavery.. Most activities were open to slaves except politics, which was reserved for ...

Prostitution was a common aspect of ancient Greece. In the more important cities, and particularly the many ports, it employed a significant number of people and represented a notable part of economic activity. It was far from being clandestine; cities did not condemn brothels, but rather only instituted regulations on them.. In Athens, the legendary lawmaker Solon is credited with having ...
