The player attempts to build an empire in competition with between two and six other civilizations.

### **Sid Meier's Civilization Manual (pdf) [en] :: DJ OldGames**

Civilization, as in history, a key step and a fundamental concept is the founding and management of cities. The civilization that you are to rule begins as a prehistoric wandering tribe that has just reached that critical point where it is capable of building cities. The first step is to build one city and from there expand. As your ...
