The three classes of United States Senators are made up of 33 or 34 Senate seats each. The purpose of the classes is to determine which Senate seats will be up for election in a given year. The three groups are staggered so that senators in one of the groups are up for election every two years, rather than having all 100 seats up for election at once.

Classes of United States Senators - Wikipedia

Abstract classes. Abstract classes, marked by the keyword abstract in the class definition, are typically used to define a base class in the hierarchy.
