Citizens for Constitutional Local Government (CCLG) believes that HOAs are independent, undemocratic, private governments operating outside the American system of government. If we are to make progress, we must distinguish the concept of a planned community, which is a real estate "package" of homes, landscaping, amenities, and rules, from that of the HOA, which is the governing body of the ...

The origin of the highest-energy cosmic rays is believed to be extragalactic (), but their acceleration sites remain unidentified. High-energy neutrinos are expected to be produced in or near the acceleration sites when cosmic rays interact with matter and ambient light, producing charged mesons that decay into neutrinos and other particles.
