Why choose this course. Surrey is one of the UK's leading universities for Electrical and Electronic Engineering, with our programmes ranked 3rd in the Guardian University Guide 2019. We received 93 per cent for overall satisfaction in electronic and electrical engineering in the National Student Survey (NSS) 2017, placing us in the top 10 in the UK for student satisfaction.

Electrical and Electronic Engineering BEng (Hons) or MEng

During the latter part of the 1800s, the study of electricity was largely considered to be a subfield of physics. It was not until the late 19th century that universities started to offer degrees in electrical engineering. In 1882, Darmstadt University of Technology founded the first chair and the first faculty of electrical engineering worldwide. In the same year, under Professor Charles Cross ...
