PE Practice Exam | Civil Engineering Reference Manual

This was a decent review manual to use in conjunction with the general review book (FE Review Manual: Rapid Preparation for the Fundamentals of Engineering Exam, 3rd Ed), and studying the two together helped me pass the FE on my first attempt. A few criticisms: the book doesn't cover groundwater at all, and neither did the general review book.

An apprenticeship is a system of training a new generation of practitioners of a trade or profession with on-the-job training and often some accompanying study (classroom work and reading). Apprenticeship also enables practitioners to gain a license to practice in a regulated profession. Most of their training is done while working for an employer who helps the apprentices learn their trade or ...
