

### **fiat engine 125 pdf**

The Fiat 125 is a large family car introduced by Fiat in 1967 and produced by them until 1972. Derivatives were built under license outside Italy until the 1990s. As launched the car was unusual in blending saloon car passenger accommodation with sports car performance, a combination which would be more widely adopted by the European volume auto-makers in the decade ahead.

### **Fiat 125 - Wikipedia**

Agnelli led the company until his death in 1945, while Vittorio Valletta administered the firm's daily activities. Its first car, the 3 ½ CV (of which only 24 copies were built, all bodied by Alessio of Turin) strongly resembled contemporary Benz, and had a 697 cc (42.5 cu in) boxer twin engine. In 1903, Fiat produced its first truck. In 1908, the first Fiat was exported to the US.
