getting to school and starting Field Day than she ever did. The games began, and Carly had the most fun she ever had at a Field Day! Her team won first place in the water balloon toss thanks to her, and she got a ribbon for second place in horseshoes. "What a great day!" Carly said to Mary. Carly is now looking forward to Field Day next year!

Field Day Champion by Kelly Hashway In the story, "Field Day Champion," Andy becomes so amazed by the hula hooping talent of his opponent, Rachelle, that he forgets to be upset when she wins the competition. Instead, Andy learns that celebrating someone's victory is much better than being a sore loser.

This unit provides the framework for conducting an "engineering design field day" that combines 6 hands-on engineering activities into a culminating school (or multi-school) competition. The activities are a mix of design and problem-solving projects inspired by real-world engineering challenges: kite making, sail cars, tall towers, strong towers and a ball and tools obstacle course.
