The start of season two received poor ratings, prompting NBC to put the show on hiatus for two months. When the series returned in its original timeslot behind Cheers, its high ratings and increasing popularity led NBC to order the full season. Seinfeld kept a large number of Cheers' viewers; the episode "The Apartment" was watched in 15.7 million American homes, while the Cheers episode that ...

I know I know, you already know protein is important at every meal, but did you know that research actually shows that 30 grams of protein at a meal can stimulate muscle growth? We tend to get very little protein at breakfast, then slightly more at lunch, then too much at dinner (the excess just turns to fat or it turned to glucose unless you actually use it).
