American Math Forum (AMF) A private activity promoting informed thought and action in American P-12 mathematics education reform and advocacy. AMF serves as a platform for distribution of local and national news and information, discussion and networking to support a broad range of activities in K-12 mathematics advocacy and reform at the local, state and national levels.

NYC HOLD National on Mathematics Education Reform

Objections to evolution have been raised since evolutionary ideas came to prominence in the 19th century. When Charles Darwin published his 1859 book *On the Origin of Species*, his theory of evolution (the idea that species arose through descent with modification from a single common ancestor in a process driven by natural selection) initially met opposition from scientists with different ...
