A test or examination (informally, exam or evaluation) is an assessment intended to measure a test-taker's knowledge, skill, aptitude, physical fitness, or classification in many other topics (e.g., beliefs). A test may be administered verbally, on paper, on a computer, or in a predetermined area that requires a test taker to demonstrate or perform a set of skills.

Test (assessment) - Wikipedia

Many teachers in the United States are faced with the challenge of teaching children to read and write in English when the students have a heritage language that is not English and they are not yet proficient in English.

English Language Teaching Strategies Used by Primary

Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.
