

innovations in supply chain pdf

What are the most important supply chain innovations of all-time? Can they even be identified? I have been working on this off and on for almost a year, and found it is difficult to pull together. The biggest challenge was that many innovations either have no clear origins, or maybe it was sort of a ...

The Top 10 Supply Chain Innovations of All-Time

Case Study Abstract. The focus of this case study is the supply chain of the world's largest retailer, Wal-Mart. Wal-Mart in recent years has struggled with its supply chain. The big question is: Will Wal-Mart be able to revive the competitive advantage it had in the past with its efficient supply chain? This case discusses the supply chain management practices of Wal-Mart over the years.

Inside the Boardroom "It is critical for non-supply chain executives to understand the way supply chain has evolved from a back-office operation to being the first agenda item in management meetings," notes Carlos Alvarenga, partner/principal, advisory services, at consulting firm EY.

From the Outside In: Supply Chain as Strategic Advantage

1. Introduction. Nowadays, the distance that food travels from producer to consumer has increased as a result of globalization in food trade. Therefore, keeping safety and quality along the food supply chain has become a significant challenge.

Traceability in a food supply chain: Safety and quality

Stakeholder pressure from investors, shareholders, customers and nonprofits to push sustainability into the supply chain has significantly increased in recent years, with a record number of shareholder resolutions on supply chains issued during the past two proxy seasons. The recently launched Global Reporting Initiative (GRI) G4 Guidelines also requires an increased focus on sustainability ...
