

### **intellectual origins of european pdf**

Intellectual property (IP) is a category of property that includes intangible creations of the human intellect. Intellectual property encompasses two types of rights; industrial property rights, which are used for inventions [dubious – discuss] (trademarks, patents, designations of origin, industrial designs and models) and copyrights which are used for artistic works.

### **Intellectual property - Wikipedia**

An intellectual is a person who engages in critical thinking, research, and reflection about society and proposes solutions for its normative problems, and gain authority as public intellectuals. Coming from the world of culture, either as a creator or as a mediator, the intellectual participates in politics either to defend a concrete proposition or to denounce an injustice, usually by ...

Understanding Globalisation What is in this guide? This guide is meant to provide an understanding of globalisation. When people talk about "globalization" they are usually referring to technological, political, and economic changes which they believe make the world function in a different way from the way it did twenty or thirty years ago.
