English has developed over the course of more than 1,400 years. The earliest forms of English, a set of Anglo-Frisian dialects brought to Great Britain by Anglo-Saxon settlers in the 5th century, are called Old English. Middle English began in the late 11th century with the Norman conquest of England and was a period in which the language was influenced by French.

Stubbs has provided an impressive work worth serious consideration and discussion. Maybe a reason the response has been so muted is because the work is so large and complex that most people would have to invest a great deal of study in order to be able to evaluate it and talk about it intelligently.
