

### **literary nonfiction theory criticism pdf**

Creative nonfiction (also known as literary nonfiction or narrative nonfiction or verfabula) is a genre of writing that uses literary styles and techniques to create factually accurate narratives. Creative nonfiction contrasts with other nonfiction, such as academic or technical writing or journalism, which is also rooted in accurate fact, but is not written to entertain based on writing style ...

Postcolonial literature is the literature by people from formerly colonized countries. It exists on all continents except Antarctica. Postcolonial literature often addresses the problems and consequences of the decolonization of a country, especially questions relating to the political and cultural independence of formerly subjugated people, and themes such as racialism and colonialism.
