Due to the perilous state of online security, it is recommended that each of our numerous passwords be unique and difficult to guess. Dashlane is a password generator and "vault" that enables you to manage your passwords easily. It creates secure passwords, stores them on your device, and automatically enters them in each website when the need arises.

Anarchism is a political philosophy that advocates self-governed societies based on voluntary, cooperative institutions, rejecting unjust hierarchy. These institutions are often described as stateless societies, although several authors have defined them more specifically as institutions based on non-hierarchical or free associations. Anarchism holds capitalism, the state, and representative ...

The hazards of gas service were already well known in the 19th century, when many cities built their first gas distribution systems. Gas in those days was not "natural" gas; it was a product manufactured by roasting coal, or sometimes the tarry residue of petroleum refining, in an atmosphere depleted of oxygen.
