Spanish Contributions to the American Revolution

The history of the Philippines is believed to have begun with the arrival of the first humans using rafts or boats at least 67,000 years ago as the 2007 discovery of Callao Man suggested. Negrito groups first inhabited the isles. Groups of Austronesians later migrated to the islands.. Scholars generally believe that these social groups eventually developed into various settlements or polities ...

4. Review this page on ser and estar and then try this quiz. Don't worry if you find it a bit tricky. The quiz will often use the same adjective but with two different verbs (ser and estar) with different meanings. Just remember that more permanent characteristics use ser, and more temporary conditions use estar. For example, Soy enfermo (I am sickly, more or less permanent condition); Estoy ...
