Library summer reading programs. Many libraries kick off a summer reading program that involves children registering as part of the program and receiving a "reading log" and perhaps some other small gifts, such as bookmarks and pencils.

Summer Reading: English Language Learners at the Library

With summer vacations quickly approaching I reached out to a group of successful leaders, authors, journalists, and podcast hosts for book recommendations. I asked them to suggest a book and why they picked it. The books on this list range from science fiction to leader development to quantum physics. I hope you find a title on this list!

The Inquiry Chart (I-chart) is a strategy that enables students to gather information about a topic from several sources. Teachers design the I-chart around several questions about a topic. Students read or listen to several sources on the topic and record answers to the posed questions within the I-chart. Students generate a summary in the final row.
