The race film or race movie was a film type produced entirely in the United States between about 1915 and the early 1950s, consisting of films produced for an all-black audience, featuring black casts.. In all, approximately five hundred race films were produced. Of these, fewer than one hundred remain. Because race films were produced outside the Hollywood studio system, they were largely ...

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
