traditions for two millennia or more. Complex society was not the only form of social organization that early human groups constructed, but it was an unusually important and influential type of society. Complex societies produced much more wealth and harnessed human resources on a much larger scale than did

Traditions and Encounters offers an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times. Given the diversity of human societies, gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course.
