Shift work is an employment practice designed to make use of, or provide service across, all 24 hours of the clock each day of the week (often abbreviated as 24/7). The practice typically sees the day divided into shifts, set periods of time during which different groups of workers perform their duties.

Key Points About Regulation SHO I. Short Sales A. What is a short sale? A short sale is generally the sale of a stock you do not own (or that you will borrow for delivery). Short sellers believe the price of the stock will fall, or are seeking to hedge against potential price volatility in securities that they own.
