Textbook - 6th Grade Social Studies

This was the beginnings of the world's oldest civilizations in Ancient Mesopotamia. An insight into the spread of farming: The spread of farming and early domestication of plants and animals was extensive, as the practices expanded from three specific regions (7000 BC) of the world to various other regions, spreading to

five continents by the ...

World History/Ancient Civilizations - Wikibooks, open

History is the study of the past. Historians are people who study history. Historians want to know how people lived and why they did the things they did. They try to learn about the problems people faced and how they found solutions. They are interested in how people lived their daily lives. They study the past to understand people's culture.
