### world history connections to pdf

World history or global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...

Making connections is a skill that must be modeled and taught for students to master. This worksheet encourages students to share the connections that can be made in a given text. Students are encouraged to share text-to-text connections, text-to-self connections and text-to-world connections.

#### Making Connections (text-to-text, text-to-self, text-to-world)

The economic history of World War I covers the methods used by the First World War (1914–1918), as well as related postwar issues such as war debts and reparations. It also covers the economic mobilization of labor, industry and agriculture. It deals with economic warfare such as the blockade of Germany, and with some issues closely related to the economy, such as military issues of ...
