Etymology. The name Bahamas is most likely derived from either the Taíno *ba ha ma* ("big upper middle land"), which was a term for the region used by the indigenous Native Americans, or possibly from the Spanish *baja mar* ("shallow water or sea" or "low tide") reflecting the shallow waters of the area. Alternatively, it may originate from Guanahani, a local name of unclear meaning.

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
