Wow/Grape Jam is the second album by the rock band Moby Grape, released in 1968. It is different from most double album releases in that it was released as two different albums in separate covers, but packaged together and sold for only one dollar more than price of a single LP.. Each album was later released as an individual CD with bonus tracks. Wow originally had a color gatefold sleeve ...

Test Statistics The stats program works out the p value either directly for the statistic you're interested in (e.g. a correlation), or for a test statistic that has a 1:1 relationship with the effect statistic. A test statistic is just another kind of effect statistic, one that is easier for statisticians and computers to handle. Common test

statistics are t, F, and chi-squared.
