A fiscal year (or financial year, or sometimes budget year) is the period used by governments for accounting and budget purposes, which varies between countries. It is also used for financial reporting by business and other organizations. Laws in many jurisdictions require company financial reports to be prepared and published on an annual basis, but generally do not require the reporting ...

You have done a great favor for those of us that have an interest in both American and LDS history. It was a long read, but very worthwhile. I believe that it is important to note that the cited opinion of â€œresponsible military menâ€• that foreign invasion of the U.S. could not come was proven wrong less than two months after the First Presidencyâ€™s letter was penned.
